

2012 Summer Over the Rainbow Sign-Ups!

Written by Administrator

We are currently taking sign ups for Summer Classes 2015!

Rainbow Kidz “Classroom Skill Builder” program has been running since 2008! It has been designed for children who need extra support and practice with classroom skills over school holidays and breaks. A board certified behavior analyst leads the classroom along with co-teachers and teacher assistants with vast ABA and special education experience.

They will work individually with your child on building skills necessary in a classroom environment. This includes but is not limited to: peer interaction, adapting and learning in a small group format, building language and communication skills, and fostering a desire to enjoy learning.

Ratio is about 2.5:1 and cost is \$14.50/hr + registration/supply fee

2012 Summer Over the Rainbow Sign-Ups!
