Laura Rogers BCABA (Teacher/Therapist)

Info coming soon!

Kristina Kuehl B.A., BCABA (Teacher/Therapist)

Kristina received her Bachelor of Arts in Psychology in 2006, with an emphasis in Applied Behavior Analysis, from the University of Texas at Arlington. She has been a Board Certified Assistant Behavior Analyst since 2007 and has worked in the behavior analysis/verbal behavior field since 2005. Kristina has had the opportunity in working with individuals of diverse functioning levels from ages 2 through 33. She has worked as both a therapist and program consultant in various settings including in-home, center based, school, and group-home settings. Kristina enjoys teaching and expanding on each individual's skills while working with their families on maintaining these new found abilities.

Krisshonda Clark M.Ed., Asst-SLP (Teacher/Therapist)

Krisshonda received her Bachelors in Communication Sciences and Disorders from Texas

Woman's University. Later she pursued a Masters Degree in Special Education with an emphasis in Applied Behavior Analysis. Krisshonda is currently studying to take the BCBA exam and did her practicum hours at Rainbow Kidz over the last year. When board certified she will continue to provide both behavioral and speech services to children and adults.

Vanessa Monroy (Teacher/Therapist)

Vanessa received her Bachelor of Science in Special Education from Stephen F. Austin University. She graduated from DeVry University with an Associate of Science in Electronic and Computer Technology. She currently works for the school district as a special education teacher and was previously a teacher assistant for 4 years in a classroom specialized for students with Autism. She has also privately worked with families providing ABA therapies and helped with a Spanish support group meetings. She enjoys subbing at Rainbow Kidz over the weekends and on school breaks.

Tri Hollis (Teacher/Therapist)

Tri is currently working on her Bachelor of Science in Special Education. She graduated from Brookhaven College with an Associates of Arts in Teaching 4-8 and EC-12 in Special Education. Tri has been working in the school district as a teacher assistant in a classroom specialized for students with Autism and has been doing private therapy since 2007. Tri has also been working with Rainbow Kidz since 2009. She loves working with Rainbow Kidz students and looks forward to seeing them every weekend and during the summer!

Kristy Malcolm (Teacher/Therapist)

Kristy received her Bachelors of Science from McNeese State University in Lake Charles, Louisiana. Kristy worked in the CFB ISD school district for 10 years in a Communications Classroom, a classroom that specializes in children with Autism. She was also an in-home trainer employed by the district for many years. Kristy has been working with Rainbow Kidz since 2012. She loves working with our students and enjoys seeing their weekly progress.

Taurean Powell (Teacher/Therapist)

Taurean is currently enrolled at Brookhaven College where he is working on completing his basics. While still in high school, Taurean began volunteering at Rainbow Kidz in 2011 and later began working in 2012.
